BORKA FM

Boris Graus aka BORKA FM is a fast rising Breaks producer from Hannover, Germany and one of the "fresh blood" artists of V.I.M.BREAKS family. He has started producing Hip-Hop & Downtempo with the name BFM BEATZ back in 1997 and House stuff as BORKA AND THE GANG! Since 2000 he's using the name BORKA FM for his Breaks music projects. He's the founder of ELEKTROSKOOL RECORDINGS (a label/society of Breaks, UK Garage, Downtempo, Drum n' Bass and House producers/djs). His first official release as BORKA FM was back in September of 2014, a quality 4 tracks EP for ONDAMIKE RECORDS. Since then he has released one single for ELEKTROSKOOL RECORDINGS and two singles for RAVESTA RECORDS. His V.I.M.BREAKS debut single "BUJ" caused a lot of stir for his quality sounds and gained strong support in the Breaks scene. Watch out for more by him during 2015!
