BEAR MOSS

BEAR MOSS is the Tech-Breaks/Tech-Funk alias of quality Proggy-Breaks producer RICK TEDESCO. Well known for his atmospheric, melodic and Proggy-Breaks releases for many labels Rick decided to release some of his more Techy stuff under the name BEAR MOSS and since early 2015 he have managed to build a really strong profile in the scene. His first release under this alias was the "YOU GOT JACKED" single together with BASS ELVES for BASE INDUSTRY RECORDS back in April of 2015 and since then he has released quality stuff for GENUINE DJ DEBBIE D RECORDS, EGO SHOT RECORDINGS, BASE INDUSTRY RECORDS and V.I.M.BREAKS. His original track "ONE LESS THAN ZERO" (together with MARIION CHRISTIIAN) and his wicked remix for ELTECH's-NANOBOT single gained strong support and chart success while his forthcoming single "MEANS TO AN END" is nothing more than a wicked Tech-Funk dancefloor destroyer!!!
