JKHZ

Gregor Faye aka JKHZ is a fast rising Italian producer located in London, UK. His ultra sexy, rollin, well driven Electrofunk Breaks style cause a lot of buzz in the scene while he was building a rally promising profile with quality releases for various labels. He has released his debut single back in June of 2015 for RUNWEST RECORDS, the dope "STEREOLOGY EP", with two rollin, Acidic yet funky original tracks. This was followed by a quality remix for V.I.M.BREAKS and another one ultra dope single for Spanish label XCLUBSIVE RECORDINGS. In the beginning of 2016 he has released his first single for V.I.M.BREAKS, the rather excellent "HATBACK" which secure great chart success and support by the scene and it was followed by another ultra funky roller, the "FASTLINE" one which faced the same chart success and support!
