

SONEK is one of the key members of V.I.M.BREAKS family. The top quality Canadian producer always deliver the funky goods and this single is no expection! A dope Funky vs Electro vs Booty-Breaks anthem to tear dancefloor apart backed with ultra thrilling and sexy remixes by the mighty Spanish duo NOEMI & YERA W (with their excellent Old-Skool vibe) and USA Booty-Breaks producer SYCHOSIS (with his sexy and pumpin sound)!
