

Destiny EP, from psybreaks pioneer Digitalis, is Pistolero Recordings' 5th release. Digitalis aka Seb Taylor, is also very known for his other quality projects like Shakta, Kaya Project, Hibernation and many more. This is his first breaks release after more than 5 years and 17 years after his classic psybreaks album “The Third State” released on legendary japanese label Matsuri Productions now Matsuri Digital. Original version is groovy breaks

discodelia followed by massive tech-funk stomper from Broken Eye (UK), night-time psybreaks remix from Paraskunk (Canada) and 145 bpm massive psybreaks banger from Pitch Drop (Australia). Tracks are mastered by Merv Pepler at Eat Static studio and cover is designed by Katarina aka Wild Bronco.
