

Jormek - It Takes Me Up *OUT NOW ON BANDCAMP!!!*

Posted by thegulfgateproject - 2022/03/19 01:46

Spanish producer Jormek is bringing some serious heat with his new track It Takes Me Up. Thundering drums and a scorching sawtooth bassline are the two most notable elements in this peak-time breaks jam. A commanding vocal loop and some well-timed synth work round out a track that's set to take the dance floor up higher.
