BIO:

Mechanical Pressure is a musical project from Ukraine that specializes on electronic music. Being initially a drum&bass project, Mechanical Pressure followed the global tendency for dubstep and released a few EPs and one LP that concentrated on deep & dark dubstep sound.

Later, he decided to cover even more musical ground, and started experimenting with a variety of electronic genres such as DnB, breaks, dubstep, techno and experimental electronica, etc. His music made its way to many radio stations worldwide.

In 2013, Mechanical Pressure took part in creating the soundtrack for the Russian horror TV series "Vyzhit' Posle" ("To Survive After").

Also Alexey (Mechanical Pressure) is the resident artist of BreakBeatZone (Russian Breakbeat Community).

His production skills were praised by Future Funk Squad, BETA, Mesmer, etc.
